### Summary

*Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.*

The Board has made three regulatory changes, all of which are exempt from provisions of the Administrative Process Act:

1) In order to reduce an accumulated surplus in the budget of the Board of Pharmacy, a one-time reduction in renewal fees has been adopted for the renewal due June 30, 2006. The renewal fee for clinical psychologists, applied psychologists, and school psychologist will be reduced for the annual renewal from \$140 to \$70, and for school psychologists-limited, the renewal fee will be reduced from \$70 to \$35. The renewal fee for certification as a sex offender treatment provider in Chapter 30 is reduced from \$75 to \$37.

This action is exempt from the Virginia Administrative Process Act in § 2.2-4006 A 7: “Regulations of the regulatory boards served by (i) the Department of Labor and Industry pursuant to Title 40.1 and (ii) the Department of Professional and Occupational Regulation or the Department of Health Professions pursuant to Title 54.1 that are limited to reducing fees charged to regulants and applicants.”

2) Currently, regulations of the Board of Psychology provide for a fee of \$25 for a check that is not paid by a financial institution on which it is drawn because of insufficient funds in the account. The Administrative Process Act specifies that the penalty shall be \$35 or the amount of any costs, whichever is greater.

*§ 2.2-614.1. Authority to accept revenue by commercially acceptable means; service charge; bad check charge.*

*...C. If any check or other means of payment tendered to a public body in the course of its duties is not paid by the financial institution on which it is drawn, because of insufficient funds in the account of the drawer, no account is in the name of the drawer, or the account of the drawer is closed, and the check or other means of payment is returned to the public body unpaid, the amount thereof shall be charged to the person on whose account it was received, and his liability and that of his sureties, shall be as if he had never offered any such payment. A penalty of \$35 or the amount of any costs, whichever is greater, shall be added to such amount. This penalty shall be in addition to any other penalty provided by law, except the penalty imposed by § 58.1-12 shall not apply.*

Accordingly, the Board has adopted amendments under an exempt action to conform regulations to the statute. Although required to comply with the Virginia Register Act, the agency is exempt from provisions of the Administrative Process Act for the implementation of these regulations pursuant to § 2.2-4006 A 4, which grants an exemption if the action is: “Necessary to conform to changes in Virginia statutory law or the appropriation act where no agency discretion is involved.”

3) Section 30 in Chapter 20 currently has provisions for a one-time debt-reduction surcharge that was due on June 30, 2003. Since that date has passed, the regulation is no longer valid and can be eliminated. Accordingly, the Board has made a technical change by eliminating the outdated provisions under § 2.2-4006 A 3, which grants an exemption if the action “...consist only of changes in style or form or corrections of technical errors.”
